The DuraVent/Security Chimneys Travel Bursary Terms of Reference

PURPOSE OF THE AWARD

The expense of travel and/or accommodation to attend a WETT training course is a potential barrier for people seeking certification. The DuraVent/Security Chimneys Travel Bursary is provided to offer financial relief for persons required to travel significant distances to attend a WETT certification course. Funded annually over a five-year period for the years 2020-2024, this bursary will provide partial funding for three attendees to attend a WETT course.

Three bursaries consisting of \$500 each will be awarded annually. Bursary payments will only be issued upon confirmation of the applicants' attendance at the course(s).
